

Well look who decided to show up and start slandering us again. Well guess what we have had enough of your crap this time and rest assured if you do not remove our business from your website, we will be proceeding with a class action lawsuit. Not only did you steal money from us over \$500.00 in 2007 (that's a felony by the way) we have documented proof; but now you are slandering our business with your fake bullshit. The better business bureau IS NOT governed by the State of Kentucky and is NOT a federal institution. I know this now because I called the State of Kentucky and asked them.

You have until January 1st 2011 to remove our business from your website, or not only will we sue you, but we also file lawsuits on fraud for theft by deception. You should also take into consideration the community of customers we have which is now almost over 12,000 world wide. You give us a Grade F for a tiny amount of bad reviews. Fortunately we now have grade A+ attorneys. We don't need to remind you what has been happening lawsuit wise to other businesses in California and abroad that your organization falsely represents. If the information about our business is NOT removed by 2011, we will be filing a lawsuit in the amount of 133,700 for damages and fraud on behalf of your pathetic organization.

Your not doing anyone or any businesses a favor, by applying a rating system on businesses that choose not to follow your garbage. This email has been published to our website (<http://www.zioinc.com/bbb-fraud-theft-by-deception-more>), do not attempt to alter this message. --
